

Song of David and Jonathan

Tune "Give Me That Old Time Religion"

Patsy Stevens

Da - vid had a good frie - nd, Jona - than had a good frie - nd
King Saul tried to kill Da - vid King Saul tried to kill Da - vid
Jona - than warned his friend Da - vid, Jona - than warned his friend Da - vid,
If I say find the ar - rows, They are near you my ser - vant,
If I say they are far - ther If I say they are far - ther
He brought with him a ser - vant He brought with him a ser - vant
We will al - ways be frie - nds We will al - ways be frie - nds
Da - vid hid in a ca - ve, Da - vid hid in a ca - ve,

They were best of frie - nds And they would al - ways be
He was jea - lous of Da - vid As ev - ry - one could see.
Met him out in the fie - ld A sig - nal he would give
You will know it is safe now, And you will sure - ly live.
You will know there is dan - ger And you must run and hide.
Shot the ar - rows be - yond him, And then the friends both cried.
Frie - nds care for each o - ther For that's what good friends do.
He was safe from the ki - ng For God was with him too.
