

Paul's Travels

Paul went everywhere telling people about Jesus. Some men and women wanted to hear the story. Some did not want to listen. They put Paul in jail and beat him. Once he was on a ship that sank in a storm, but God saved his life. He was a brave man.

He said, "Serving Christ is the only thing that matters to me."

Heaven

The last book in the Bible tells about a beautiful city. It is called the Holy City. God is there. Jesus is there. It will be the home for all saved people. It will be a happy place with nothing to make a person unhappy. What a wonderful place!
