

Solomon

Two women came to King Solomon. Each one was holding a baby. Only one baby was alive. He tested them to see which woman was the mother. He was very wise.

He said, "Take the baby from the first woman and give him to his mother."

The Test

Elijah spoke for God to the people. Some of them did not serve God. They prayed to Baal.

Elijah said, "Let's have a test. We'll see who will answer."

God did hear his prayer. He sent fire to show that he was the true God.

The people said, "The Lord - He is God."
