

# Korean National Anthem in English

Words translated by Dennis Yunlin Lee

Music by Ik Tai An

1. Long, long as the Eas - tern Sea and White Head Moun - tain bide,  
2. Pines on Mt. South stand like brave men clad with coats of mail;  
3. Cloud - less au - tumn sky spread 'cross the far - flung can - o - py:  
4. Let this spir - it con - se - crat - ed help us dut - y see;

So long will the care of our Lord flee not from thy side.  
Dews and tem - pests can not shake them so do we not fail.  
Bright moon, our soul e - ver speaks the spot - less lo - yal - ty.  
Lest what - e - ver might be - fall us sev - er us from thee.

Fair and lu - cid is the land where chaste al - the - as grow; -

Child - ren of the Morn - ing Calm Land to thee hom - age owe.
