

Running dialogue on the Miracle Hooks

First things you do in the morning

1. ALARM CLOCK-- Water to wine 0002

Since you always use the same hooks for what you want to remember, the ALARM CLOCK is still #1. With the Miracles you pretend you still have your cough & have put a pitcher of water beside your bed so you won't have to get up in the night. However, the next morning you knock off the ALARM CLOCK into the water and when you pull it out, it has purple wine dripping over it. Jesus turned water to wine.

2. TWO LEGGED PANTS - Nobleman's son healed 0004

This morning you pretend that you are the Nobleman hurriedly jumping into your TWO LEGGED PANTS because you need to go get Jesus to heal your son. Think of your pants as being a royal color such as purple or blue, since it's the Nobleman's PANTS & they ought to look like royalty. Jesus heals the Nobleman's son.

3. THREE LEGGED STOOL - Draught of fish 0050

The 3rd hook is still the THREE LEGGED STOOL and this morning Peter is sitting on it counting fish. He throws them over his shoulder as he counts. The miracle is the drought of fish caught by Peter, Andrew, James & John when Jesus told them to cast their nets on the other side of the boat.

4. FOUR LEGGED TABLE - Demonic healed 0140

Now we come to the FOUR LEGGED TABLE. Again you can't eat because there is a demoniac sitting right in the middle of your TABLE. Food is spilled & scattered over everything. In fact you may put the garbage can up on the TABLE with him if you'd like. Jesus heals the demoniac.

5. NEWSPAPER - Peter's mother-in-law healed 8140

As always, while you sit at the breakfast table, you are supposed to read the NEWSPAPER. The headlines read "Extra, Extra, and Read All about It!" "Peter's mother-in-law is miraculously cured of her high fever." The picture on the front on the front page is Peter's mother-in-law lying in a bed with a "huge" thermometer sticking out of her mouth.

6. RACE CAR - One leper cured 8150

You are now ready to head for work, so you go out to get into your little RACE CAR with its big #6 on the side and find that it has been taken by a leper. The miracle is the healing of a leper and when Jesus tells him not to tell a single person, he jumped into your RACE CAR and sped all over town, beeping his horn and telling everyone.

7. POLICEMAN - Paralytic let down through the roof 9250

When you get to the intersection, you find the POLICEMAN standing in front of a house with a huge crowd of people all around him. He has his arm stuck straight out and is refusing to let anyone else into the house. However, there is a paralytic man on a mat, and his four friends are taking the roof off of the building and letting him down so Jesus can heal him. If the POLICEMAN won't let them come through the front door, they'll just let him down through the roof. Jesus heals the paralytic.

8. REVOLVING DOORS - Man at the Pool of Bethesda 0005

When you get to the REVOLVING DOORS you find you can't get through. It seems that Jesus had just healed the crippled man at the Pool of Bethesda, who had been crippled for 38 years and told him to pick up his bed and walk. When the man tried to get through the REVOLVING DOORS, he got his blankets all tangled up in them. So picture one of your own favorite blankets all wound around these REVOLVING DOORS.

9. MAIL BOX - Man with a withered hand 12,360

This time you picture a man with a withered hand trying to get a letter in his MAILBOX. Because of his shriveled, twisted hand, he can't get the letter turned so it can be put into the MAILBOX.

10. POST OFFICE - Centurion's servant healed 8070

When you go to the POST OFFICE this time and look through the 10 bars at the window, the postmaster is dressed like a Roman Soldier with a big plume in his soldier's hat. He requests that Jesus heal his servant and does not even want him to travel to him, but just speak the words. Therefore Jesus heals the Centurion's servant.

11. SIDEWALK - .At the town of Nain, Jesus raises the widow's son from the dead. 0070

The SIDEWALK on each side of the street in front of the post office represents the number 11. Whatever happens to the SIDEWALK or whatever's going on in the street is what you've got to remember. In this case there is a funeral procession going down the street. Te Widow Nain's only son has died and they are having his funeral. Jesus brings the
