Tune: "O For a Thousand Tongues to Sing"

Paul was a pris - o - ner in Rome. A guard was by
To tell of Je - sus and His love To those who came
Some heard but nev - er un - der - stood, Saw, but did not
I'll o - pen up my heart to - day God's mes - sage to

his side. But friends could come and vis - it him,
to hear, And some be - lieved the words of Paul,
per - ceive, They closed their eyes and stopped their ears
be - lieve. With eyes to see and ears to ear

And this ser - vant al - ways tried
Bu - t oth - ers were not near.
For they just would not be - lieve.
Je - sus Christ I will re - ceive.
