

Dear Parents and Teachers,

Our Bible lessons begin with God's beautiful creation. He made everything from nothing. We will learn of God's awesome power and His desire to create mankind in His own image.

The Creation

- * Long ago, before the earth and all things in it, there was only God.
- * On **day one**, God said, "Let there be light." God called the light day, and the darkness He called night.
- * On **day two**, God made the sky.
- * On **day three**, God separated the land from the waters and created flowers, trees, and grass..
- * On **day four**, God made the sun, moon, and stars.
- * On **day five**, the birds and fish were created.
- * On **day six**, God made animals and then He made people to be like Him. He named the man Adam, and Adam named his wife, Eve.
- * God rested on the seventh day. He saw everything He had made and said that it was good.
- * God made a garden home for the man and woman. It was called the Garden of Eden. He told them they could eat fruit from all the trees in the garden except the tree of knowledge of good and evil. The serpent lied to Eve and she ate of the fruit. She gave some to Adam and he also ate of it. They had not been obedient and they had to leave their beautiful home. After that, they had to work hard and had many troubles.
- * It is always best to listen to God and do as He says.

The story of the Creation can be found in Genesis, chapters 1, 2, and 3.

Memory verse

Through faith we understand that the worlds were framed by the word of God,
so that things which are seen were not made of things which do appear.

Hebrews 11:3
