

Aristotle

<http://gardenofpraise.com/ibdarist.htm>

Aristotle was born in a Greek colony

called the Lyceum.

He studied under

Aristotle became tutor to Alexander (the Great).

Plato was the foremost

urged them to follow the middle road between extremes.

When Plato died

that means to "walk about".

Aristotle married

who studied many subjects.

Some writers claim that

his nephew was chosen to teach at the Academy.

Aristotle set up his own school

the king's daughter Pythias.

Aristotle walked around as

about 350 years before the birth of Christ.

Peripatetics is a word

philosopher and teacher of his time.

He was a genius

in order to be happy.

Aristotle taught his students moderation and

he taught his students.

He taught that you need virtues

Plato for twenty years.
