

Margaret Thatcher

<http://gardenofpraise.com/ibdthatcher.htm>

Margaret Thatcher was born in	Grantham, a town in England
When she was a child	she listened to the men discuss politics.
She studied Latin in order to	at the Brighton hotel.
During World War 2 she	was called a Tory.
As a chemist she helped to	qualify for entrance to Oxford.
When she married Denis she	she was called The Iron Lady.
They had twins	worked for smaller classes and a nursery program.
In addition to politics	
Margaret was	invent soft-serve ice cream.
A member of the Conservative Party	volunteered as a fire watcher.
As Secretary of Education she	became Margaret Thatcher.
Because she stood for her beliefs	named Mark and Carol.
Terrorists tried to kill her	a devoted wife and mother.
