When he was young, Tiger Woods'	are Sam and Charlie
When he was a baby	he watched his father practice golf.
He began going to the golf course	daughter.
To improve his confidence in himself	his personal life is in shambles.
His father would jingle coins in his pocket	he listened to tapes.
Tiger was so focused on his game	won four major golf tournaments.
When he made mistakes in golf	he did not hear even loud noises.
In the year 2000 he	he would practice even harder.
When he had knee pain	when he was 18 months old.
His two children	he underwent arthroscopic surgery.
Sam is Tiger Woods'	to help Tiger overcome distractions.
Tiger is not doing well in golf since	father Earl was his coach.
