Long ago, before the earth and all things in it, there was only God. On day one , God said, "Let there be light ." God called the light day, and the darkness He called night. On day two , God made the sky. On day three , God separated the land from the waters and created flowers, trees, and grass . On day four ,God made the sun, moon, and stars. On day five , the birds and fish were created. On day six , God made animals and then He made people to be like Him. He named the man Adam, and Adam named his wife, Eve. God rested on day seven . He saw everything He had made and said that it was good. God made a home for the man and woman he had created. It was called the Garden of Eden.
